Subject: Underground Storage Tank Closure, 609 Woodland St.,
Greensboro, Guilford County, NC

Dear Ms. Falk:

On April 23, 1993, we received the soil sample results and closure assessment from the underground storage tank closure at the subject location. As the implementing agency for the Federal Underground Storage Tank Program for the State of North Carolina, we have determined after careful review of your report that no further action is warranted. However, this does not absolve you of any responsibility for contamination that may not have been detected or noted during the site assessment.

If you have any questions, please feel free to contact Kelly C. Gage at (919) 373-7565.

Sincerely,

A handwritten signature in cursive script, reading "W. Waddell Watters".
